Reading of Minutes

- Members told minutes are on website and to read before meeting no objections

Treasures report

- Treasurer gave report.
- 32 paid members so far for 2013

Field Report

- We contacted Public Works Supervisor in regards to clearing snow and the snow pile;
- They contract out their snow removal work etc. They are not able to plough the driveway for us. We discussed the possibly of hiring someone next winter to clear the driveway a couple of times;
- The snow pile should not go any future west toward the field. The Supervisor indicated that the pile should melt quickly in the spring as there is a lot of sand and gravel in it that absorb the sunlight. We will see if that is the case in the spring.

Correspondence

- none
