Field report

The Vice President report that the snow pile is full of debris, some of them are wood with nails. Tractors are ready for service before going to work.

Old Business

A discussion on the new shelter extension was carry on.

New Business

Don Furminger call our attention to a potential problem with the 2.4 video systems and the Phantom II quadra copter (as per note in the last MAAC magazine).Not very clear information, Javier suggested that the Frequency and FPV chairs – MAAC must be consulted before taking a decision. The motion presented by D. Furminger to ban both systems was withdrawn by him until more information is obtained from MAAC.

Dave Ellis mentioned that a pilot has been flying above the dog's park.

Ernie's 50/50 winner was Peter Carey (\$ 14.00).

Meeting was adjourned at 8:10 pm
