**Correspondence**

- o None

**Field Report**

- Field is in good winter flying condition

**Old Business**

- Discussion around the location for of a frequency board system for the FPV cameras suggestion that it should be on current freq board also suggestion about using a whiteboard at the FPV field. MAAC has a frequency board decal available more conversation with additional people over the summer **update** this will be a winter project to finalize for implementation next flying season **PENDING**
- We have received the renewal notice for our NFP Eric will complete the application later this week. **PENDING**
- There was much discussion around how to increase attendance to the meetings and to the field as it seems there is minimal participation unless someone schedules and event.

**New Business**

- MAAC fees have been Paid **CLOSED**
- Eric is working on re-establishing the Saturday Morning breakfast he will put the notice on Facebook **CLOSED**
- David G provided an update on the attempt to establish a small electric Combat Group. 13 members have shown an interest thus far and he is putting together a group purchase list for the required equipment. **CLOSED**
- Club may have to supplement the PERC indoor if enough drop ins do not arrive **CLOSED**
- There will be an indoor session at the old hanger Deceber 29 6-9pm **CLOSED**

Adjourned 8:11 pm
