Correspondence

- None

Field Report

- Sun shelter window that needs replaced it was determined to use clear plexi Dave OI has it at his house and will repair and install **UPDATE** Dave has the old window and will be repairing as his work schedule allows **PENDING**
- One flight station is in need of repair a couple of Joiners are broken it has been moved up by the porta potties. **UPDATE** unit has been repaired and returned to the field **CLOSED**
- Mower orientation completed for 3 members
- Toro was running very rough it was determined it required a new fuel pump and that one jug of gas was poor. Randy replaced the fuel pump and the jug of bad fuel was replaced with fresh fuel **CLOSED**

Old Business

- Gravel for the driveway can wait until spring and perhaps renting a machine to spread the gravel as well as repair the gate can be obtained **UPDATE** Dave O has obtained access to dump truck and skid steer along with the required trailers to haul gravel and black dirt to the field for the cost of fuel and material we will investigate and set a date once the road bans are removed **UPDATE** Dave O will check on equipment availability for June 19th volunteers may be required if so an email will be sent requesting assistance **PENDING**
- Gate at the front will need repair as it is rotted off, it was suggested we may be able to flip it over hinges may need welded and the gate may need to be shortened depending on where the new hole gets drilled it will be investigated further and determination made once the ground thaws **UPDATE** investigation shows that digging is not too difficult and several methods of repair are possible we will leave as is until we get the equipment to the site as a machine may be required to remove the existing pole **UPDATE** Daren will build a support to hold the gate when it is open to relieve the strain on the pipe and minimize flexing **UPDATE** Ryan T may have a solution to repair the gate in place Dave O will check with Ryan **PENDING**
- A possible control line demo by the Namao Flying club members could be setup when restrictions ease **PENDING**
- It was brought up that members should have their current MAAC and Club membership cards visible on their flight boxes. This was tabled to September to allow members to review and think about it before a final decision is made. **PENDING**

New Business

- Dave G will replace some of the boards on the big setup table that has boards that are rotten due to current lumber prices only the defective boards will be replace **PENDING**
- With the change in Covid restrictions a new updated email will be send by David G **CLOSED**
- Feedback was received on the new onboarding process from several people saying it

- works well and it is very professional **CLOSED**
- Javier will book fall meeting dates with the PERC as it is easier to obtain the dates early and cancel than trying to book them later in the year **CLOSED**
 - Currently the September meeting is scheduled to be held virtually over discord and update will be sent out if that changes **CLOSED**

September Meeting will be held on Discord **CLOSED**

Adjourned 8:32pm
