Reading of Minutes

They were sent out via email and are on the website

Treasure Report

- Debits: bank fees, tractor fuel, stationary, PERC rental fees current to June 2025
- Credits: Membership for 2024, June 50/50

Total membership 65 including 4 jr memberships for 2024

Full amounts available from the treasure on request

Correspondence

- Several from MAAC regarding zone meetings

Field Report

- Field is in great Flying condition, Burrowing Rodents have been dealt with, Wasps are an issue use caution when flying.

Old Business

- Burrowing Rodents are beginning to take over the field again and removal is required in the past trapping and smoke bomb extermination has been effective we need members to step forward and begin that process Dave will send an email asking for volunteers **UPDATE** this is still an issue an email has been sent with minimal response **UPDATE** members have stepped forward and dealt with the issue Thanks to those who took part. **CLOSED**

New Business

- Ron Tagg will be dropping off some of Dave Harris estate items in small batches which will be free for the taking **CLOSED**
- The PERC rental has been paid for the meetings until June 2025 along with the Gym rental for after meetings from December to April inclusive **CLOSED**
- The group photo for the MAAC article was done on Sunday there was a very good turnout. **CLOSED**
- As there seems to be ongoing issues with the gate being closed and the lock scrambled Darren J will put reminder signs on the gate **PENDING**
- 2025 is the 30th anniversary of the club it was brought up that some form of celebration be held such as a BBQ and perhaps a prize draw of some type it was generally accepted that this is a good idea and further discussion should be held **PENDING**
- It was asked if a contact list could be made up and distributed as previous attempts to get this done resulted in very little response it was suggested to use the clubs private Facebook group (meridian model flyers) as an alternate method **CLOSED**
- There was a request from an external MAAC member to fly at our field during their vacation determination was made that previously a person was allowed to fly 3 days as a guest of a current member with the sponsoring member insuring they are aware of club policy, rules and field layout. If a visitor wishes to fly they would need a club member as a sponsor or become a member with the current club rates for the time at which they are requesting access. This does not apply to those attending club sanctioned events such as fun fly's and competitions. **CLOSED**
- The executive was made aware that there are again some loud aircraft being flown at the field. As we have had noise complaints in the past the executive will find the levels that were set previously for noise limits and if required will implement testing on the area

designed for testing in the pits. Remember failure to comply with club rules and regulations may result in the removal of flying privileges and possible revocation of club membership. **PENDING**

Next meeting will be October 1 at 7:30pm in the PERC building,

50/50 was not held

Meeting Adjourned at 08:46 pm
